

NOTEBOOK WORLD

The most beautiful books:
plain, ruled, squared, soft cover,
hard cover, refillable or pocket-
the choices are endless!
We constantly try and reinvent
the book as an object and
storage place for ideas.

We understand the value
of a great notebook- as an
organizational tool, a place
where are born stored.

Functional Notes

'Functional Notes' is a series with four type of notebooks, with rules, squares, rules and squares and plain pages all the notebooks have printed page-folios on all of its pages, and also features "Contents"; where-in list of page-folios can be assigned to subject-matters, that will help its users with easy navigation and improved visibility into the contents written in this note book.
